Entry Test 2024

Instructions

- Maximum time allowed is 100 Minutes.
- The candidate will be required to write his/her Registration Number, Name and Father's Name on top of the answer sheet.
- All rough work must be done only on the question booklet.
- In order to ensure a fair chance to conduct the test efficiently, the candidate must carefully follow the instructions given in this booklet and by the invigilator.
- The test is divided into four parts with number of Questions mentioned along.

Pre-Medical	Physics 30	English 10	Biology 30	Chemistry 30
Pre-Engineering	Physics 30	English 10	Math 30	Chemistry 30
ICS	Physics 30	English 10	Math 30	Comp. 30
General Science	Math 30	English 30	General Knowledge 40	
FA/I.Com/Humanities	English 30	I.Q 30	General Knowledge 40	

- Any type of electronic device such as calculator, cell phone, gadget etc. is not allowed at the test center.
- During the test do not attempt to communicate by any means to anyone except the case when you have to ask something from invigilator.
- Any evidence of cheating or non-compliance of instruction will disqualify the candidate from test and his name will be removed from the list of candidates of admission.
- Write your answers in capital letters A, B, C or D.
- The candidate should carefully think before writing their answers. Over-writing or attempt to erase any answer will mark it as the wrong answer.
- All un-attempted answers must be marked as X on the answer sheet.
- There will be negative marking.
- Each question carries four marks.
- Once the invigilator has asked to STOP writing no one may continue work even for a second.
